The Smithsonian Institution Confluence and JIRA sites are provided as a service for collaborations. This site is intended to be used for authorized projects which may include public viewing, retrieving, and providing solicited information. Users should not collect, use, store or disseminate personally identifiable information, as defined in SD 118, Privacy Policy, on the sites. Information on the Smithsonian Confluence and JIRA sites should be considered public information and may be distributed or copied unless prior arrangements are made. Copyright notices must be honored. Unauthorized attempts to change information on this server or to upload unsolicited information or programs are strictly prohibited and may be punishable under the Computer Fraud and Abuse Act or the National Information Infrastructure Protection Act. Users are reminded that they have no expectation of privacy.   Anyone using this system expressly consents to monitoring and is advised that if monitoring reveals possible evidence of criminal activity, the Smithsonian Institution may provide that evidence to law enforcement officials.
